

MPN: NLNY20SF

Product Name: 20mm Flexible Conduit Gland Push Fit Straight IP66 PVC Black Complete With Locknut

Brand: Newlec

Category: PVC Flexible Conduit & Accessories

Product Description: The NLNY20SF is a halogen-free straight fitting made up of a black plastic housing designed for insertion into threaded entries and knockouts involving nylon conduits. It is suitable for various applications requiring flexible conduit connections.

Key Features:

- IP66 rated fittings for excellent protection against dust and water ingress.
 - Self-extinguishing and halogen-free construction for enhanced safety.
 - Straight fittings are not one-piece quick fit as the premium flexible nylon kit.
 - Fittings come complete with locknuts for secure installation.
 - Annealed after final pressing to guarantee ductility and durability.
 - Electrolytically tin-plated to avoid oxidation and ensure long-lasting performance.
-

Specifications:

- Material: Plastic
- Material qualifier: Polyvinyl chloride (PVC)
- Surface protection: Untreated
- Halogen-free: Yes
- Model: Other
- For nominal tube diameter (mm): 20

ETIM Class-9.0: Coupler for conduit (EC000939)

ETIM Features:

- Material: Plastic (EV000139)
- Material qualifier: Polyvinyl chloride (PVC) (EV000163)
- Surface protection: Untreated (EV006034)
- Halogen-free: Yes
- Model: Other (EV000154)
- For nominal tube diameter (mm): 20
- Colour: Black (EV000206)

Applications:

- Suitable for use in various electrical installations requiring flexible conduit connections.
- Ideal for residential, commercial, and industrial applications where protection against dust and water ingress is essential.
