

MPN: NLPVC25SF

Product Name: Grey 25mm PVC Flexible Conduit Fixing Clip

Brand: Newlec

Category: PVC Conduit Accessories

Product Description: The NLPVC25SF is a threaded straight fitting made up of a grey plastic housing designed for insertion into threaded entries and knockouts involving conduits. It provides a reliable solution for securing and maintaining conduit lengths to surfaces.

Key Features:

- Screw hole fastening for easy installation.
 - Simple Push-In installation.
 - Self-extinguishing for enhanced safety.
 - IP54 Protection rating for dust and water resistance.
 - CE Marked for compliance with European standards.
-

Specifications:

- Material: Plastic
- Surface protection: Untreated
- Model: Thread
- For nominal tube diameter (mm): 25
- Colour: Grey

ETIM class-9.0: Coupler for conduit (EC000939)

ETIM features:

- Material: Plastic (EV000139)
- Surface protection: Untreated (EV006034)
- Model: Thread (EV003906)
- For nominal tube diameter (mm): 25
- Colour: Grey (EV000270)

Applications:

- Suitable for use in residential, commercial, and industrial environments
- Ideal for securing and organizing conduit lengths in electrical installations
