

MPN: NLPVC20SF

Product Name: Grey 20mm PVC Flexible Conduit Fixing Clip

Brand: Newlec

Category: PVC Conduit Accessories

Product Description: The NLPVC20SF is a closed conduit clip made up of a grey polyvinyl chloride (PVC) material designed to secure and maintain conduit lengths to surfaces. It provides a reliable solution for organizing and protecting electrical wiring in various applications.

Key Features:

- Screw hole fastening for easy installation.
 - Self-extinguishing for enhanced safety.
 - IP54 Protection rating for dust and water resistance.
 - CE Marked for compliance with European standards.
-

Specifications:

- Width (mm): 20
- Material: Plastic
- Type of fastening: Screw fix
- Surface protection: Untreated
- Colour: Grey

ETIM class-9.0: Cable retainer for trunking (EC001936)

ETIM features:

- Width (mm): 20
- Material: Plastic (EV000139)
- Type of fastening: Screw fix (EV001790)
- Surface protection: Untreated (EV006034)
- Colour: Grey (EV000270)

Applications:

- Suitable for use in residential, commercial, and industrial environments
- Ideal for securing and organizing conduit lengths in electrical installations.
