

MPN: NLPVC20SF

Product Name: 20mm Flexible Conduit Gland Push Fit Straight IP54 PVC Grey Complete With Locknut

Brand: Newlec

Category: PVC Flexible Conduit & Accessories

Product Description: The NLPVC20SF is a threaded straight fitting made up of a grey plastic housing designed for insertion into threaded entries and knockouts involving conduits. It provides a secure and reliable connection for 20mm flexible conduits.

Key Features:

- Fitting complete with locknuts for easy installation.
- Self-extinguishing for enhanced safety.
- IP54 Protection rating for dust and water resistance.
- Simple Push-In installation for quick and convenient setup.
- CE Marked, ensuring compliance with European safety standards.

Specifications:

- Material: Plastic
- Surface protection: Untreated
- Model: Thread
- For nominal tube diameter (mm): 20
- Colour: Grey

ETIM class-9.0: Coupler for conduit (EC000939)**ETIM features:**

- Material: Plastic (EV000139)
- Surface protection: Untreated (EV006034)
- Model: Thread (EV003906)
- For nominal tube diameter (mm): 20
- Colour: Grey (EV000270)

Applications:

- Suitable for use in various electrical and industrial applications where 20mm flexible conduits are required.
