

MPN: NLPVC25KIT

Product Name: 25mm Conduit Kit Flexible 10m IP54 PVC Grey C/W Straight Glands + Locknuts Kits

Brand: Newlec

Category: PVC Flexible Conduit & Accessories

Product Description: The NLPVC25KIT is a Newlec kit consisting of a flexible grey polyvinyl chloride (PVC) conduit. It includes 10 straight fittings and locknuts, providing a comprehensive solution for your conduit needs. The flexible nature of the conduit allows for easy installation and routing of cables, while the grey PVC material ensures durability and protection for your electrical installations. With an IP54 protection rating, this conduit kit offers resistance against dust and water ingress, making it suitable for both indoor and outdoor applications. The NLPVC25KIT is CE marked, ensuring compliance with relevant safety standards.

Key Features:

- Flexible conduit material for easy installation and cable routing.
 - Self-extinguishing properties for enhanced safety.
 - IP54 protection rating against dust and water ingress.
 - CE marked for compliance with safety standards.
-

Specifications:

- Material: Polyvinyl chloride (PVC)
- Bending strength: Flexible
- Inner diameter (mm): 25
- Outer diameter (mm): 25
- Colour: Grey

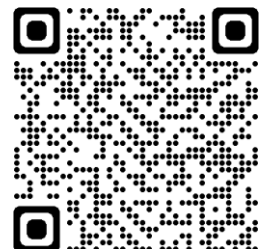

ETIM class-9.0: Plastic conduit (EC001174)

ETIM features:

- Material: Polyvinyl chloride (PVC) (EV000163)
- Bending strength: Flexible (EV000995)
- Inner diameter (mm): 25
- Outer diameter (mm): 25
- Colour: Grey (EV000270)

Applications: The NLPVC25KIT is suitable for a wide range of applications, including but not limited to:

- Electrical installations in residential, commercial, and industrial buildings
- Cable management and protection in wiring systems
