

MPN: NLPVC20KIT

Product Name: 20mm Flexible Conduit Kit 10m IP54 PVC Grey Complete Straight Glands + Locknuts

Brand: Newlec

Category: PVC Flexible Conduit & Accessories

Product Description: The NLPVC20KIT is a Newlec kit consisting of a flexible grey polyvinyl chloride (PVC) conduit. It includes 10 straight fittings and locknuts, providing a complete solution for your conduit needs. The 20mm diameter conduit is designed to offer optimum strength against vibration and pull-out, ensuring complete reliability. The conduit is annealed after final pressing to guarantee ductility and electrolytically tin plated to avoid oxidation.

Key Features:

- IP54 rated for protection against dust and splashing water.
- Self-extinguishing properties for enhanced safety.
- Kit includes: 10M flexible PVC conduit, 10 straight fittings, and locknuts.
- Optimum strength against vibration and pull-out for complete reliability.
- Annealed after final pressing to guarantee ductility,
- Electrolytically tin plated to avoid oxidation,

Specifications:

- Material: Polyvinyl chloride (PVC)
- Bending strength: Flexible
- Inner diameter (mm): 20
- Outer diameter (mm): 20

ETIM Class-9.0: Plastic conduit (EC001174)

ETIM Features:

- Material: Polyvinyl chloride (PVC) (EV000163)
- Bending strength: Flexible (EV000995)
- Inner diameter (mm): 20
- Outer diameter (mm): 20
- Colour: Grey (EV000270)

Applications:

- Suitable for various electrical installations requiring flexible conduit solutions.
- Ideal for residential, commercial, and industrial applications.
