

MPN: NLHSS11

Product Name: 11mm High Speed Steel Drill Bit

Brand: Newlec

Category: Drill Bits

Product Description: The 11mm High Speed Steel Drill Bit by Newlec is a versatile tool designed for precision drilling. It is suitable for use on both metal and wood surfaces, making it ideal for various applications. The drill bit is manufactured to DIN338 standards, ensuring durability and reliability. Please note that HSS Drills are sized in millimetres, and the imperial measurements provided are approximate equivalents only.

Key Features:

- High speed steel roll forged drill bits.
 - Suitable for use on both metal and wood.
 - Cutting lubricant recommended when drilling metal.
 - Manufactured to DIN338 standards.
-

Specifications:

- Material: High speed steel
- Drill Bit Size: 11mm
- Holding System: Axle shaft
- With Pilot Drill: Yes

ETIM Class-9.0: Core drill bit (EC000704)**ETIM Features:**

- Nominal size (mm): 11
- With pilot drill: Yes
- Holding system: Axle shaft (EV003749)

Applications:

- Suitable for drilling in metal and wood surfaces
- Ideal for various DIY and professional projects
