

MPN: NLFB25

Product Name: 25 x 152mm Flat Wood Spade Drill Bit

Brand: Newlec

Category: Drill Bits

Product Description: The 25 x 152mm Flat Wood Spade Drill Bit is designed for wood drilling applications. Please note that this product is not impact rated and we do not advise using it in impact drivers. For optimal performance and safety, we recommend using a quick-change extension that is impact rated. This extension can be used with any of our Twister impact rated products in an impact driver. However, if you are using it specifically with Flat Wood Bits, we advise against using it in an impact driver. Instead, it should be used in an alternative 3 jaw chuck machine on rotary only.

Key Features:

- Designed for wood drilling applications.
 - Not impact rated.
 - Quick-change extension recommended for use with impact drivers (except when using with Flat Wood Bits).
 - Suitable for use with nonferrous metals.
-

Specifications:

- Diameter drill (mm): 25
