

MPN: NLECM1214

Product Name: 4-7mm x 12-14mm Edge Beam Clip

Brand: Newlec

Category: Girder Clips

Product Description: The Newlec Edge Beam Clip is a versatile cable clamp designed for running cables along the edge of steelwork. It is made up of galvanized zinc plated steel material, ensuring durability and corrosion resistance. This clip provides a secure and organized solution for cable management in industrial and commercial applications.

Key Features:

- Designed for running cables along the edge of steelwork.
 - Made from galvanized zinc plated steel for enhanced durability.
 - Material finish F8+ for corrosion resistance and longevity.
-

Specifications:

- Size: 4-7mm x 12-14mm
- Material: Galvanized zinc plated steel
- Finish: F8+

ETIM Class-9.0: Beam clip (EC000464)

ETIM Features:

- Type of fastening: Edge clip (EV009862)
- Connection type construction part: Pipe/cable (EV007675)
- Flange thickness (mm): 4 - 7
- Tube/cable diameter (mm): 12 - 14
- Material: Steel (EV000179)
- Surface protection: Galvanic/electrolytic zinc plated (EV003454)

Applications:

- Industrial and commercial cable management
- Suitable for use in steelwork installations
