

MPN: NLECL89

Product Name: 8-12mm x 8-9mm Edge Beam Clip

Brand: Newlec

Category: Girder Clips

Product Description: The 8-12mm x 8-9mm Edge Beam Clip by Newlec is designed for running cables along the edge of steelwork. It provides a secure and efficient solution for cable management in various applications. The clip is made of high-quality steel with a galvanic/electrolytic zinc plated surface protection, ensuring durability and resistance to corrosion. With a material finish of F8+, this beam clip offers reliable performance and long-lasting functionality.

Key Features:

- Designed for running cables along the edge of steelwork.
 - Material finish: F8+.
-

Specifications:

- Flange thickness range: 8 - 12mm
- Tube/cable diameter range: 8 - 9mm
- Material: Steel
- Surface protection: Galvanic/electrolytic zinc plated.

ETIM Class-9.0: Beam clip (EC000464)

ETIM Features:

- Type of fastening: Clamping (EV007463)
- Connection type construction part: Pipe/cable (EV007675)
- Flange thickness (mm): 8 - 12
- Tube/cable diameter (mm): 8 - 9
- Material: Steel (EV000179)
- Surface protection: Galvanic/electrolytic zinc plated (EV003454)

Applications:

- Suitable for cable management in various applications
- Ideal for use in industrial and commercial settings
