

MPN: NL787GRN

Product Name: 25 x 3mm Copper Non-Metallic Green Earth Tape Fixing Clip

Brand: Newlec

Category: Copper Tape & Accessories

Product Description: The 25 x 3mm Copper Non-Metallic Green Earth Tape Fixing Clip is designed to securely fasten and support bare copper tape for effective grounding applications. It is made from high-grade polypropylene material, ensuring durability and resistance to environmental factors. The clip is UV stabilized to prevent degradation caused by sunlight exposure and is non-brittle, making it suitable for use in cold weather conditions. With easy installation, it ensures a firm grip on the tape and offers high pull-off resistance levels.

Key Features:

- UV stabilised against degradation by sunlight.
 - Non-brittle to prevent cold weather damage.
 - Designed for conductor size 25 x 3mm.
 - Suitable for use with bare tape.
 - Easy installation while ensuring firm grip.
 - Resists high pull-off levels.
 - Made from high-grade polypropylene.
-

Specifications:

- Material: High-grade polypropylene
- Conductor Size: 25 x 3mm

ETIM Class-9.0: Accessories for earthing and lightning (EC000490)

ETIM Features:

- Type of accessory/spare part: Other (EV000154)
- Material: Copper (EV000138)
- Surface protection: Other (EV000154)

Applications:

- Suitable for grounding applications requiring secure fastening and support of bare copper tape.
