

MPN: NL787BRN

Product Name: 25 x 3mm Copper Non-Metallic Brown Earth Tape Fixing Clip

Brand: Newlec

Category: Copper Tape & Accessories

Product Description: The 25 x 3mm Copper Non-Metallic Brown Earth Tape Fixing Clip is a high-quality accessory designed for use with bare copper tape. It is specifically engineered to provide a secure and reliable fixing solution for earth tape installations. The clip is made from high-grade polypropylene, ensuring durability and longevity. Its UV stabilised construction protects against degradation caused by sunlight exposure, making it suitable for outdoor applications. Additionally, the clip is non-brittle, preventing damage in cold weather conditions. With easy installation and a firm grip, it ensures the tape remains securely in place, even under high pull-off levels.

Key Features:

- UV stabilised against degradation by sunlight.
 - Non-brittle to prevent cold weather damage.
 - Designed for conductor size 25 x 3mm.
 - For use with bare tape.
 - Easy installation while ensuring firm grip.
 - Resists high pull-off levels.
 - Made from high-grade polypropylene.
-

Specifications:

- Material: Copper
- Surface Protection: Other
- Type of Accessory/Spare Part: Other

ETIM Class-9.0: Accessories for earthing and lightning (EC000490)**ETIM Features:**

- Type of accessory/spare part: Other (EV000154)
- Material: Copper (EV000138)
- Surface protection: Other (EV000154)

Applications:

- Suitable for various earth tape installations.
- Ideal for outdoor applications requiring reliable grounding.
