

**MPN:** NLYTC

**Product Name:** 4- Yellow 6mm Pre-Insulated Butt Connector

**Brand:** Newlec

**Category:** Insulated Crimps

---

**Product Description:** The NLRR4 is a 6mm pre-insulated butt connector designed for secure and reliable electrical connections. It is suitable for use in various applications where a quick and efficient connection is required. The connector is made from high-quality materials to ensure durability and long-lasting performance.

---

**Key Features:**

- PVC insulation for added protection and insulation.
  - Wide temperature range of -20°C to +80°C for versatile usage
  - Manufactured from electrolytic copper wire with a purity greater than 99.9% for excellent conductivity.
  - Electrolytically tin-plated to prevent oxidization and ensure optimal performance.
  - Annealed to guarantee optimum ductility and ease of installation.
- 

**Specifications:**

- Nominal cross section (mm<sup>2</sup>): 4 - 4
- Colour: Yellow

---

**ETIM Class-9.0:** Butt connector with heat-shrink (EC000466)**ETIM Features:**

- Nominal cross section (mm<sup>2</sup>): 4 - 4
- Colour: Yellow (EV000234)

---

**Applications:**

- Electrical installations
- Automotive wiring
- Industrial wiring
- DIY projects
