

**MPN:** NLCC11

**Product Name:** 2.5-10mm Brass Easy Earth Clamp

**Brand:** Newlec

**Category:** Cable Cleats

---

**Product Description:** The NLCC11 is a cable cleat made up of a heavy-duty black plastic construction. It is designed to ensure the retention and support of cables within any environment, helping to minimize potential hazards involving cables such as tripping and falling.

---

#### Key Features:

- Heavy-duty construction for durability.
- Suitable for sinks and other industrial applications.
- Stable at temperatures ranging from -35 to 85°C.
- Corrosion and UV light resistant.
- Specifically designed for fixing armoured cables.
- Provides high strength and impact resistance.
- Features two lugs on either side for secure cleat installation.

---

#### Specifications:

Suitable for cable sizes: 2.5-10mm

---

**ETIM Class-9.0:** Cleat (EC012160)**ETIM Features:**

- Material: Plastic (EV000139)
- Surface protection: Untreated (EV006034)

---

**Applications:** The NLCC11 cable cleat is ideal for industrial and commercial applications where the secure clamping and fixing of armoured cables is required. It is suitable for use in various environments and offers reliable cable retention and support.
