

MPN: NLCS5

Product Name: 12 Way 5A White Snap Off Screw Terminal Connector Strip

Brand: Newlec

Category: Connector Strips

Product Description: The 12-Way 5A White Snap Off Screw Terminal Connector Strip, manufactured by Newlec, is designed for connecting wires in residential and commercial environments. Made from a durable white thermoplastic material, this connector strip offers a reliable and safe solution for wire connections.

Key Features:

- Maximum continuous temperature rating: 80°C.
- Nominal voltage: 450V.
- Compliant with BS EN 60998-1 standards.
- Glow wire tested up to 850°C.
- 80°C continuous rating.

Specifications:

- Rated current I_n (A): 5
- Rated voltage (V): 450
- Type of electrical connection 1: Screw connection
- Type of electrical connection 2: Screw connection
- Connection position: Above

ETIM class-9.0: Single- and multi-pole terminal strip (EC001284)**ETIM features:**

- Rated current I_n (A): 5
- Rated voltage (V): 450
- Type of electrical connection 1: Screw connection (EV000415)
- Type of electrical connection 2: Screw connection (EV000415)
- Connection position: Above (EV000644)
- Number of poles: 12
- Mounting method: Direct mounting (EV005276)
- Material insulation body: Thermoplastic (EV000403)
- Colour: White (EV000202)

Applications:

- Residential wiring
- Commercial wiring
- Industrial wiring
