

MPN: NLTBFR818

Product Name: Red 8 x 1.8mm Pin Twin Entry Insulated Bootlace Ferrule Pin For 2 x 2.5mm² Diameter Cables

Brand: Newlec

Category: Insulated Crimps

Product Description: The Red 8 x 1.8mm Pin Twin Entry Insulated Bootlace Ferrule Pin is designed for use with 2 x 2.5mm² diameter cables. It provides a secure and reliable connection for fine stranded conductors. The pin is made of high-quality copper, annealed to guarantee optimum ductility. It is electrolytically tin-plated to avoid oxidization and ensure long-lasting performance. The polypropylene insulation offers excellent electrical insulation properties. The pin is halogen-free and can withstand temperatures ranging from -20°C to +115°C.

Key Features:

- Polypropylene insulation for excellent electrical insulation properties.
- Annealed copper construction for optimum ductility.
- Electrolytically tin-plated to avoid oxidization.
- Halogen-free for enhanced safety.
- Temperature range: -20°C to +115°C.
- Suitable for fine stranded conductors.

ETIM Class-9.0: Cable end sleeve (EC000005)**ETIM Features:**

- Construction type: Twin cable end sleeve (EV010193)
- Colour: Red (EV000233)

Applications:

- Suitable for various electrical applications requiring secure connections with fine stranded conductors.
