

MPN: NLS4304HN

Product Name: M4 x 35mm Conduit Box Pan Head Slotted Machine Brass Conduit Box Screw

Brand: Newlec

Category: Screws

Product Description: The M4 x 35mm Conduit Box Pan Head Slotted Machine Brass Conduit Box Screw is ideal for use in a range of electrical installations, specifically for fixing conduit fittings. It is designed to provide secure and reliable connections in various applications.

Key Features:

- High-quality brass construction for durability and corrosion resistance.
 - Pan head design for easy installation and removal.
 - Slotted drive for compatibility with standard screwdrivers.
 - Suitable for use in electrical installations and conduit fittings.
-

Specifications:

- Material: Brass
- Length: 35mm
- Head Type: Pan head
- Drive Type: Slotted
- Thread Size: M4

ETIM Class-9.0: Wood / chipboard screw (EC002385)

ETIM Features:

- Material: Brass (EV000149)
- Length (mm): 35
- Head Type: Pan head (EV008449)

Applications:

- Electrical installations
- Conduit fittings
- General-purpose screwing applications
