

MPN: NLCUF15

Product Name: 15 Amp 10.32 x 26mm BS1361 Consumer Unit Cartridge Fuse

Brand: Newlec

Category: Domestic Fuses

Product Description: The NLCUF15 is a 15 Amp cartridge fuse designed for use in consumer units. It is specifically manufactured to meet the BS1361 standard and provides reliable protection for outgoing circuits in domestic consumer units. This fuse is compact, measuring 10.32 x 26mm, making it suitable for space-constrained installations. The NLCUF15 is supplied individually and is recyclable, making it an environmentally friendly choice for electrical installations.

Key Features:

- 240V AC rated voltage.
 - Supplied individually.
 - Approved for the protection of outgoing circuits in domestic consumer units.
 - Recyclable.
-

Specifications:

- Ampere Rating: 15 Amp
- Fuse Type: Cartridge Fuse
- Size: 10.32 x 26mm
- Standard: BS1361

ETIM Class-9.0: Low Voltage HRC fuse (EC000055)

Applications:

- Domestic consumer units
- Electrical installations requiring reliable circuit protection
