

MPN: NLS4319AN

Product Name: 2BA x 2 Inch Brass Round Head Slotted Machine Imperial Conduit Box Screw

Brand: Newlec

Category: Screws

Product Description: The 2BA x 2 Inch Brass Round Head Slotted Machine Imperial Conduit Box Screw is a high-quality screw designed for use in electrical installations, specifically for fixing switch/socket boxes. It is made of durable brass material, ensuring long-lasting performance and reliability. This screw is an essential component for secure and stable electrical connections.

Key Features:

- Ideal for use in electrical installations, such as fixing switch/socket boxes.
 - Made of high-quality brass material for durability and reliability.
 - Round head design for easy installation and removal.
 - Slotted machine screw for convenient screwing and unscrewing.
-

Specifications:

- Head type: Rounded head
- Length (mm): 50.8
- Screwing system: Screw slot

ETIM Class-9.0: Metal screw (EC000887)

ETIM Features:

- Material: Brass (EV000149)
- Surface protection: Untreated (EV006034)
- Head type: Rounded head (EV000901)
- Length (mm): 50.8
- Screwing system: Screw slot (EV007720)

Applications:

- Electrical installations
- Fixing switch/socket boxes
- General-purpose screwing applications
