

**MPN:** NLS4319AN

**Product Name:** 2BA x 1 Inch Brass Round Head Slotted Machine Imperial Conduit Box Screw

**Brand:** Newlec

**Category:** Screws

---

**Product Description:** The 2BA x 1 Inch Brass Round Head Slotted Machine Imperial Conduit Box Screw is a high-quality screw designed for use in electrical installations, specifically for fixing switch/socket boxes. It is made of durable brass material and features a rounded head for easy installation. This screw is an essential component for secure and reliable electrical connections.

---

#### Key Features:

- Ideal for use in electrical installations, such as fixing switch/socket boxes.
  - Made of high-quality brass material for durability.
  - Rounded head design for easy installation.
  - Provides secure and reliable electrical connections.
- 

#### Specifications:

- Material: Brass
- Surface protection: Untreated
- Head type: Rounded head
- Length (mm): 25.4
- Screwing system: Screw slot

---

## **ETIM Class-9.0:** Metal screw (EC000887)

### **ETIM Features:**

- Material: Brass (EV000149)
- Surface protection: Untreated (EV006034)
- Head type: Rounded head (EV000901)
- Length (mm): 25.4
- Screwing system: Screw slot (EV007720)

---

### **Applications:**

- Electrical installations
- Fixing switch/socket boxes
- General-purpose screw for various applications
