

MPN: NLS54BN

Product Name: No6 x 1 Inch Slotted Round Head Brass Screw

Brand: Newlec

Category: Screws

Product Description: The Newlec No6 x 1 Inch Slotted Round Head Brass Screw is a strong and durable screw that is perfect for a wide range of applications, both indoor and outdoor. It is made of high-quality brass, which is known for its strength, corrosion resistance, and non-magnetic properties. The screw has a sharp point and slotted head, making it easy to drive and remove.

Key Features:

- Suitable for use with plastic and nylon wall plugs.
 - Round-shaped head gives an attractive finish when fitted.
 - Solid brass construction for strength, durability, and corrosion resistance.
 - Non-magnetic properties for a variety of applications.
 - Strong and durable.
 - Corrosion resistant.
-

Specifications:

- Material: Brass
- Surface protection: Untreated
- Screwing system: Screw slot
- Length (mm): 25.4

ETIM Class: Wood screw (EC000888)

ETIM Features:

- Material: Brass (EV000149)
- Surface protection: Untreated (EV006034)
- Screwing system: Screw slot (EV007720)
- Length (mm): 25.4

Applications:

- Suitable for various applications, including: Woodworking projects
- Furniture assembly
- Construction projects
- DIY projects
