

**MPN:** NLS4626BN

**Product Name:** No6 x 0.75 Inch Countersunk Pozi Drive Twin Thread Bright Zinc Plated Woodscrew

**Brand:** Newlec

**Category:** Screws

---

**Product Description:** The Newlec No6 x 0.75-inch countersunk pozi drive twin thread bright zinc plated woodscrew is a strong and durable screw that is perfect for a variety of woodworking applications. It is made of high-quality steel and is hardened, and bright zinc plated for corrosion resistance. The screw has a sharp point and twin threads that make it easy to drive into wood, and the countersunk head provides a flush finish. The pozi drive recess allows for a secure and easy drive.

---

#### Key Features:

- Countersunk head for a flush finish.
  - Pozi drive recess for a secure and easy drive.
  - Twin threads for easy driving.
  - Hardened and bright zinc plated for corrosion resistance.
  - Made of high-quality steel.
  - Flush finish.
  - Corrosion resistant.
  - Ideal for a variety of woodworking applications.
- 

#### Specifications:

- Material: Steel
- Surface protection: Galvanic/electrolytic zinc plated
- Screwing system: Pozidriv PZ

---

## ETIM class-9.0: Wood screw (EC000888)

### ETIM features:

- Material: Steel (EV000179)
- Surface protection: Galvanic/electrolytic zinc plated (EV003454)
- Screwing system: Pozidriv PZ (EV003608)
- Length (mm): 19
- Head type: Countersunk head (EV000161)
- Hardened: Yes

---

### Applications:

- Woodworking projects: This woodscrew is specifically designed for woodworking applications, making it suitable for various woodworking projects such as furniture assembly, cabinetry, and carpentry work.
- DIY projects: Whether you're working on small home improvement tasks or larger do-it-yourself projects, this woodscrew can be used for fastening wood materials together securely.
- Construction projects: The NLS4626BN woodscrew can be utilized in construction projects that involve wood framing, decking, or general wood installations.
- Interior and exterior woodworking: From interior trim work to exterior wood installations like fences or sheds, this woodscrew provides a reliable fastening solution.
- Joinery and woodworking repairs: When repairing or reinforcing wooden structures, this woodscrew can be used to securely fasten and strengthen joints.
- Furniture repair and assembly: Whether you're repairing a loose chair leg or assembling new furniture pieces, this woodscrew can help ensure a sturdy and durable connection.
