

**MPN:** NL9041

**Product Name:** 10 Pole 4.0mm Terminals 98 x 98 x 61mm IP65 Grey Junction Box

**Brand:** Newlec

**Category:** Junction Boxes Plastic

---

**Product Description:** The NL9041 is a high-quality junction box designed for use in arduous environments. It features 10 removable/repositionable terminals, making it easy to install and maintain electrical connections. The box is constructed with self-sealing neoprene glands, ensuring a secure and watertight seal. With its IP65 rating, this junction box is suitable for use in both indoor and outdoor applications. The NL9041 also includes caps for mounting holes, maintaining its IP rating and protecting against dust and water ingress.

---

#### Key Features:

- Terminals which can be removed/repositioned.
  - Ideal for arduous environments.
  - Self-sealing neoprene glands.
  - Suitable for hollow wall mounting.
  - Including caps for mounting holes to maintain IP rating.
- 

#### Specifications:

- Number of terminals: 10
- Max. conductor cross section (mm<sup>2</sup>): 2.5
- Length (mm): 98
- Width (mm): 98
- Depth (mm): 61

---

## ETIM Class-9.0: Junction box (EC002713)

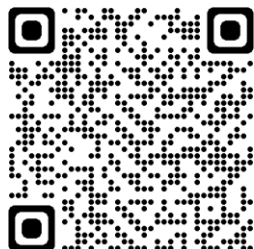

### ETIM Features:

- Number of terminals: 10
- Max. conductor cross section (mm<sup>2</sup>): 2.5
- Length (mm): 98
- Width (mm): 98
- Depth (mm): 61
- Mounting method: Hollow wall (EV000128)
- Colour: Grey (EV000270)
- Degree of protection (IP rating): IP65 (EV006421)
- For ATEX classification, Ex-zone gas: None (EV000494)

---

### Applications:

- Industrial electrical installations
- Outdoor electrical connections
- Harsh environments requiring reliable junction boxes
