

MPN: NLCOMF9A

Product Name: 230V 9 Inch White Commercial Automatic Shutter Axial Wall Fan

Brand: Newlec

Category: Commercial Fans

Product Description: The 230V 9 Inch White Commercial Automatic Shutter Axial Wall Fan by Newlec is a high-quality fan designed for commercial applications. It features a sleek and durable design, making it suitable for panel, wall, or window mounting. The fan is CE marked in accordance with all the relevant EEC standards, ensuring its compliance with safety and quality regulations. With an IP44 rating, it offers protection against dust and water splashes, making it suitable for various environments. The impact-resistant high gloss ABS construction ensures strength and durability, making it a reliable choice for long-term use.

Key Features:

- CE marked in accordance with all the relevant EEC standards.
 - IP44 rated for protection against dust and water splashes.
 - Impact-resistant high gloss ABS construction for strength and durability.
 - Suitable for panel, wall, or window mounting.
-

Specifications:

- Air volume, free flow (m³/h): 1015
- Connection voltage (V): 230
- Electrical connection: Terminals (EV020300)
- Power consumption (W): 90
- Degree of protection (IP rating): IP44 (EV006418)
- Humidity sensor: None (EV000494)
- Louvre/shutter: None (EV000494)

ETIM Class-9.0: Wall mounted fan (recessed mounted) (EC010930)

ETIM Features:

- Air volume, free flow (m³/h): 1015
- Connection voltage (V): 230
- Electrical connection: Terminals (EV020300)
- Power consumption (W): 90
- Degree of protection (IP rating): IP44 (EV006418)
- Humidity sensor: None (EV000494)
- Louvre/shutter: None (EV000494)
- Colour: White (EV000202)

Applications: The 230V 9 Inch White Commercial Automatic Shutter Axial Wall Fan is suitable for a wide range of commercial applications, including offices, shops, restaurants, and warehouses. It provides efficient air circulation and cooling, ensuring a comfortable environment for employees and customers.
