

MPN: NLCOMF9F

Product Name: 230V 9 Inch White Axial Commercial Wall Fan

Brand: Newlec

Category: Commercial Fans

Product Description: The 230V 9 Inch White Axial Commercial Wall Fan by Newlec is a high-quality fan designed for commercial applications. It features a sleek and durable design, making it suitable for panel, wall, or window mounting. The fan is made of impact-resistant high gloss ABS material, ensuring strength and durability. With its IP44 rating, it is protected against dust and water splashes, making it suitable for various environments. The motor is fitted with thermal overload protection, ensuring safe and reliable operation. The fan is CE marked, complying with all relevant EEC standards.

Key Features:

- External 2-speed reversible on/off controller available (NLCOMFC).
 - Motor fitted with thermal overload protection.
 - CE marked in accordance with all the relevant EEC standards.
 - IP44 rated for dust and water protection.
 - Impact-resistant high gloss ABS for strength and durability.
 - Suitable for panel, wall, or window mounting.
-

Specifications:

- Air volume, free flow (m³/h): 1015
- Connection voltage (V): 240
- Electrical connection: Terminals
- Power consumption (W): 90
- Degree of protection (IP rating): IP44
- Humidity sensor: None
- Louvre/shutter: None

ETIM Class-9.0: Wall mounted fan (recessed mounted) (EC010930)

ETIM Features:

- Air volume, free flow (m³/h): 1015
- Connection voltage (V): 240
- Electrical connection: Terminals (EV020300)
- Power consumption (W): 90
- Degree of protection (IP rating): IP44 (EV006418)
- Humidity sensor: None (EV000494)
- Louvre/shutter: None (EV000494)
- Colour: White (EV000202)

Applications:

- Commercial buildings
- Offices
- Retail spaces
- Restaurants
- Hotels
- Industrial facilities
