

MPN: NLCR6

Product Name: Nail in Round Cable Clip White for 15-18mm Diameter Cables

Brand: Newlec

Category: Cable Management Accessories

Product Description: The NLCR6 Nail in Round Cable Clip is designed to securely hold round cables, such as coaxial and satellite cables, in place. Made from a white impact-resistant UV stabilised polypropylene material, these cable clips are durable and reliable. The safety nail of the clip is hardened and zinc coated, ensuring it bends before breaking. This feature provides added safety during installation. The clip is designed to withstand high impact, as well as extremes of heat, cold, and acid, making it suitable for various environments. The flexible design of the NLCR6 allows it to be used with cables of different sizes, providing versatility and convenience. The return 'hook' feature holds the cable tightly, assisting in the installation process and ensuring a secure fit. With a suitable cable diameter range of 15-18mm, the NLCR6 Nail in Round Cable Clip is an ideal solution for organizing and securing cables in residential, commercial, and industrial settings.

Key Features:

- Fast installation of cables
 - Safety nail bends before breaking - hardened and zinc coated.
 - Can withstand high impact together with extremes of heat, cold, and acid.
 - Flexible design - for use with various sizes of cable.
 - Features a return 'hook' that holds the cable tightly, assisting installation.
 - Suitable for cable diameter: 15-18mm.
-

Specifications:

- Safety Nail: Hardened and zinc coated
- Compatibility: Round cables (Coax & Satellite cables)
- Application: Fast installation and secure holding of cables
- Environmental Resistance: High impact, heat, cold, and acid resistance
- Design: Flexible design with a return 'hook' for tight cable holding

ETIM Class-9.0: EC000363

ETIM Features:

- Product Class: Nail-in cable clip
- Shape: Round (EV000167)
- Material: Plastic (EV000139)
- Surface Protection: Untreated (EV006034)
- Colour: White (EV000202)
- Nail Included: Yes
- Hardened Steel Nail: Yes

Applications:

- Home Theatre and Entertainment Systems: The NLCR6 Nail in Round Cable Clip is perfect for securing coaxial and satellite cables in home theatre setups, ensuring a clean and organized appearance while preventing cable tangling and tripping hazards.
- Networking and Data Centres: In networking and data centre environments, the NLCR6 cable clip can be used to neatly manage and secure Ethernet cables, fibre optic cables, and other networking cables, reducing clutter and improving cable management.
- Security Systems: Whether it's CCTV cameras or alarm systems, the NLCR6 cable clip provides a reliable solution for securing cables in security installations. It helps maintain cable integrity and prevents accidental disconnections, ensuring uninterrupted surveillance and protection.
- Office and Commercial Spaces: The NLCR6 cable clip is suitable for organizing cables in office spaces, conference rooms, retail stores, and other commercial environments. It helps create a professional and tidy appearance while minimizing the risk of cable damage or accidental disconnections.
- Industrial Applications: With its ability to withstand high impact, heat, cold, and acid, the NLCR6 cable clip is well-suited for industrial settings. It can be used to secure cables in manufacturing plants, warehouses, and other industrial facilities, ensuring reliable cable management in harsh conditions.
