

MPN: NL683A

Product Name: 2 Gang 35mm Depth Galvanised Flush Mounting Box

Brand: Newlec

Category: Metal Back Box

Product Description: The 2 Gang 35mm Depth Galvanised Flush Mounting Box is a high-quality metal back box designed for flush mounting applications. It is suitable for use in residential, commercial, and industrial settings. This robust and durable mounting box provides a secure and reliable solution for housing electrical switches, outlets, and other devices.

Key Features:

- Complies with BS 4662 standards.
 - Adjustable lug for easy installation.
 - Two steel earth terminals for enhanced safety.
 - With knockouts for convenient cable entry.
 - Suitable for surface mounting.
-

Specifications:

- Mounting method: Surface mounted
- Clamps: None
- Connection system: Screwed terminal
- Material: Metal
- Degree of protection (IP rating): IP20
- Width of device (mm): 130
- Height of device (mm): 68.3
- Depth of device (mm): 35

ETIM Class: Cable connection plate (EC000450)

ETIM Features:

- Mounting method: Surface mounted (EV000384)
- Clamps: None (EV000494)
- Connection system: Screwed terminal (EV001008)
- Material: Metal (EV000914)
- Degree of protection (IP rating): IP20 (EV006405)
- Width of device (mm): 130
- Height of device (mm): 68.3
- Depth of device (mm): 35

Applications:

- Residential buildings
- Commercial establishments
- Industrial facilities
