

MPN: NLTERMEARTH4/35

Product Name: 4.0mm² Green/Yellow for Din Rail Mounting Terminal Pack

Brand: Newlec

Category: Din Rail Terminals

Product Description: This is a Newlec top hat rail earth terminal block pack that features the patented clamping yoke system. It is designed for easy and secure installation on a DIN rail. The terminal pack is suitable for various electrical applications and provides a reliable connection for grounding purposes.

Key Features:

- ATEX approved.
 - Wemid insulating material.
 - UL 94 V0 flammability rating.
 - Uniform accessories for 2.5mm and 4mm.
 - Vibration resistant connection.
 - Patented clamping yoke system.
 - 1 end plate.
 - 2 earth terminals.
-

Specifications:

- Core cross section (mm²): 4
- Number of poles: 10
- With seal head: No

ETIM Class-9.0: Distribution terminal block (EC000276)

ETIM Features:

- Core cross section (mm²): 4
- Number of poles: 10
- With seal head: No

Applications:

- Suitable for grounding applications in various electrical systems
- Ideal for use in industrial, commercial, and residential installations
- Can be used in conjunction with DIN rail-mounted equipment
