

MPN: NL9355

Product Name: 260 x 210 x 116mm IP65 Grey 5 Pole 35-50mm Terminals Junction Box

Brand: Newlec

Category: Junction Boxes Plastic

Product Description: The NL9355 is a high-quality junction box designed for arduous environments. It features a compact size of 260 x 210 x 116mm and is constructed with IP65-rated grey plastic material. This junction box is ideal for various applications that require reliable and secure connections.

Key Features:

- Supplied with terminals which can be removed/repositioned.
- Sealing gasket fully integrated as part of the cover.
- Stainless steel captive lid screws for added durability.
- Ideal for arduous environments.
- IP65-rated for protection against dust and water ingress.
- Including caps for mounting holes to maintain IP rating.

Specifications:

- Number of terminals: 5
- Max. conductor cross section (mm²): 50
- Length (mm): 260
- Width (mm): 210
- Depth (mm): 116

ETIM Class-9.0: Junction box (EC002713)

ETIM Features:

- Number of terminals: 5
- Max. conductor cross section (mm²): 50
- Length (mm): 260
- Width (mm): 210
- Depth (mm): 116
- Mounting method: Hollow wall (EV000128)
- Type of entry: Cable (EV000136)
- Colour: Grey (EV000270)
- Degree of protection (IP rating): IP65 (EV006421)
- For ATEX classification, Ex-zone gas: None (EV000494)

Applications:

- Industrial installations.
- Outdoor electrical connections.
- Harsh environments requiring reliable junction boxes. w
