

MPN: NLFM320T

Product Name: 20 - 38mm Conduit Flange Support Beam Clip

Brand: Newlec

Category: Cable Clips

Product Description: The 20 - 38mm Conduit Flange Support Beam Clip by Newlec is designed to securely support conduit at right angles to a flange or threaded rod. It is an essential component for cable management systems, ensuring stability and organization. The beam clip is constructed with high-quality materials and features a durable F8+ finish, providing long-lasting performance. With its compatibility for beam sizes ranging from 3mm to 20mm, this beam clip offers versatility and ease of installation.

Key Features:

- Supports conduit at right angles to flange or threaded rod.
 - Material finish F8+.
 - Suitable for beam sizes 3-20mm.
-

Specifications:

- Type of fastening: Edge clip
- Connection type construction part: Pipe/cable
- Tube/cable diameter (mm): 20 - 38
- Material: Steel

ETIM Class-9.0: Beam clip (EC000464)

ETIM Features:

- Type of fastening: Edge clip (EV009862)
- Connection type construction part: Pipe/cable (EV007675)
- Tube/cable diameter (mm): 20 - 38
- Material: Steel (EV000179)
- Surface protection: Galvanic/electrolytic zinc plated (EV003454)
- Breaking load (N): 441.29

Applications:

- Suitable for various cable management applications.
- Ideal for industrial and commercial installations.
- Can be used in construction projects requiring secure conduit support.
