

MPN: NLFH107

Product Name: 45Kg Load 18 x 10.7mm Master Beam Clamp

Brand: Newlec

Category: Girder Clips

Product Description: The NLFH107 is a flange clamp made up of a solid steel construction complete with galvanised zinc plating. It is specifically designed for use with threaded rods, providing a secure and reliable connection for various applications.

Key Features:

- Flange clamp for use with threaded rod.
 - Material finish F8+.
 - Movable fixing facility for easy installation and adjustment.
-

Specifications:

- Type of fastening: Screwing
- Connection type construction part: Thread
- Tube/cable diameter (mm): 10.7 - 10.7
- Material: Steel

ETIM Class-9.0: Beam clip (EC000464)

ETIM Features:

- Type of fastening: Screwing (EV000766)
- Connection type construction part: Thread (EV003906)
- Tube/cable diameter (mm): 10.7 - 10.7
- Material: Steel (EV000179)
- Surface protection: Galvanic/electrolytic zinc plated (EV003454)
- Breaking load (N): 441.29

Applications:

- Suitable for various applications where a secure connection between threaded rods and flanges is required.
- Ideal for construction, electrical, and industrial projects.
