

MPN: NLIDCCONNECTOR

Product Name: CAT6 Certified White IDC Terminal In-Line Data Cable Junction Box

Brand: Newlec

Category: Data Modules & Accessories

Product Description: The NLIDCCONNECTOR is a CAT6 certified white IDC terminal in-line data cable junction box. It is designed to provide a reliable and efficient solution for data communication connections. This junction box is suitable for various applications that require secure and high-speed data transmission.

Key Features:

- Inline IDC Unshielded
 - IDC compatible with 110 and KRONE/Newlec
 - Inline RJ45 Connector
-

Specifications:

- Type of connector: RJ45 8(8)
- Category: 6
- Colour: White
- Connection type: Insulation displacement connector

ETIM Class-9.0: Data communication connection box copper (twisted pair) (EC001264)

ETIM Features:

- Type of connector: RJ45 8(8) (EV000013)
- Category: 6 (EV002393)
- Colour: White (EV000202)
- Connection type: Insulation displacement connector (EV001308)
- Outlet direction: Straight (EV000164)

Applications:

- Data centres
- Network installations
- Telecommunication systems
- Office and residential environments
