MPN: NLC6DMA

Product Name: Cat6 RJ45 Data Networking Module Outlet

Brand: Newlec

Category: Data Modules & Accessories

Product Description: The Cat6 RJ45 Data Networking Module Outlet is a high-quality networking solution designed for efficient data transmission. It is compatible with Cat5e ISO11801 Class D or EN50173 Class D standards, ensuring reliable performance. The module features a 110/Krone/Newlec NLC5ETOOLA compatible IDC style punchdown for easy installation. It follows the 568B wiring standard and includes a hinged label window for easy identification. Additionally, it comes with a cable tie for organized cable management.

Key Features:

- Cat5e ISO11801 Class D or EN50173 Class D compliant.
- 110/Krone/Newlec NLC5ETOOLA compatible IDC style punchdown.
- 568B wiring standard.
- Hinged label window for easy identification.
- Provided with a cable tie for cable management.

Specifications:

- Model: Bus (jack)
- Type of connector: Other
- Category: 6
- Connection type: Insulation displacement connector

ETIM Class-9.0: Modular connector (EC001121)

ETIM Features:

- o Model: Bus (jack) (EV004173)
- o Type of connector: Other (EV000154)
- o Category: 6 (EV002393)
- o Connection type: Insulation displacement connector (EV001308)
- o Colour: White (EV000202)

Applications:

- Suitable for data networking applications.
- Ideal for use in commercial and residential environments.
