

MPN: NLMF4A

Product Name: 2 Gang 4 Module White Square Edge Modular Data Plate

Brand: Newlec

Category: White Moulded Square Edge

Product Description: The 2 Gang 4 Module White Square Edge Modular Data Plate by Newlec is a versatile and reliable solution for data connections. It is designed to accommodate 25 x 50mm Euro modules, providing a seamless and organized setup. The data plate features a plain annealed stranded copper conductor for optimal performance. With its easy clip-in module installation, there is no need for a grid. The white square edge design adds a sleek and modern touch to any installation.

Key Features:

- No grid required; modules just clip into place.
 - Suitable for 25 x 50mm Euro modules only.
 - Plain annealed stranded copper conductors.
-

Specifications:

- Assembly: Basic unit fully enclosed
- Application: For data connection housing
- Imprintable label: Without indication field
- Mounting method: Module frame/grid

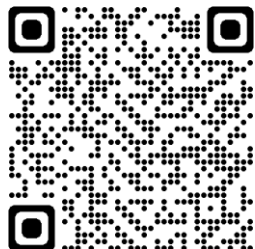

ETIM Class-9.0: TV / phone / data / communications outlets (EC000018)

ETIM Features:

- Assembly: Basic unit fully enclosed (EV006348)
- Application: For data connection housing (EV006388)
- Imprintable label: Without indication field (EV006465)
- Mounting method: Module frame/grid (EV009934)
- Colour: White (EV000202)
- Type of fastening: Mounting with screw (EV006354)
- Number of module spaces (modular system): 2
- Width of device (mm): 100
- Height of device (mm): 50
- Outlet direction: Inclined (EV005271)
- Number of outlets/connections: 4

Applications:

- Suitable for various data connection housing applications.
- Ideal for TV, phone, data, and communications outlets.
