

MPN: NLC5EDMA

Product Name: CAT5e 25 x 50mm White Euro Data Network Module

Brand: Newlec

Category: Data Modules & Accessories

Product Description: The CAT5e 25 x 50mm White Euro Data Network Module is a high-quality data module designed for efficient and reliable network connectivity. It is suitable for various applications and offers excellent performance.

Key Features:

- Cat5e ISO11801 Class D or EN50173 Class D.
- 110/Krone/Newlec NLC5ETOOLA compatible IDC style punch down.
- 568B wiring.
- Hinged label window.
- Provided with a cable tie.

Specifications:

- Model: Bus (jack)
- Type of connector: Other
- Category: 5E
- Connection type: Insulation displacement connector

ETIM Class-9.0: Modular connector (EC001121).

ETIM Features:

- Model: Bus (jack) (EV004173)
- Type of connector: Other (EV000154)
- Category: 5E (EV004113)
- Connection type: Insulation displacement connector (EV001308)
- Colour: White (EV000202)

Applications:

- Data networking.
- Telecommunications.
- Home and office network installations.
- IT infrastructure
