

MPN: NLSATBRN

Product Name: Brown RG6 Satellite Cable 100 Metre Drum

Brand: Newlec

Category: Data & Comms

Product Description: The Brown RG6 Satellite Cable is a high-quality coaxial cable designed for satellite and digital TV installations. It provides reliable signal transmission and is suitable for both residential and commercial applications. The cable features a durable construction and is designed to meet the industry standards for performance and durability.

Key Features:

- 75-ohm impedance.
- 1mm CCS conductor with 17% conductivity.
- 66 x 0.12mm CCS braiding.
- Aluminium foil.
- 4.7mm gas injected foam.
- Primary PVC sheathing.
- Metre marking.

Specifications:

- Inner conductor material: Copper
- Type of outer conductor: Foil + braiding
- Dielectric: Foamed PE
- Sheath material: Polyvinyl chloride (PVC)

ETIM Class-9.0: Coaxial cable (EC000019)

ETIM Features:

- Inner conductor material: Copper (EV000138)
- Type of outer conductor: Foil + braiding (EV004527)
- Dielectric: Foamed PE (EV001101)
- Sheath material: Polyvinyl chloride (PVC) (EV000163)
- Sheath colour: Brown (EV000083)
- Characteristic impedance (Ohm): 75

Applications:

- Satellite TV installations.
- Digital TV installations.
- Residential and commercial applications.
