

MPN: NLNY20ATSS

Product Name: 20mm Flexible Conduit Gland Push Fit Straight IP68 PVC Black Complete With Locknut

Brand: Newlec

Category: PVC Flexible Conduit & Accessories

Product Description: The NLNY20ATSS is a straight flexible conduit fitting made up of a black nylon construction complete with locknuts, providing additional strength for a stable connection. It is designed to securely connect and protect electrical cables and wiring in various applications.

Key Features:

- One piece quick-fit fitting for easy installation.
 - Integral face seal washer for enhanced protection against dust and moisture.
 - Self-extinguishing properties for added safety.
 - IP66, IP67, IP68, and IP69k performance ratings for reliable performance in harsh environments.
 - Halogen-free construction for reduced environmental impact.
-

Specifications:

- Material: Plastic
- Material qualifier: Polyvinyl chloride (PVC)
- Surface protection: Untreated
- Halogen-free: Yes

ETIM Class-9.0: Coupler for conduit (EC000939)

ETIM Features:

- Material: Plastic (EV000139)
- Material qualifier: Polyvinyl chloride (PVC) (EV000163)
- Surface protection: Untreated (EV006034)
- Halogen-free: Yes
- Model: Other (EV000154)
- For nominal tube diameter (mm): 20
- Two-piece: No
- Colour: Black (EV000206)

Applications:

- Suitable for use in various electrical installations, including residential, commercial, and industrial settings.
- Ideal for routing and protecting cables in conduit systems.
