

MPN: NL80027

Product Name: 125mm x 6 Meter PVC Flexible White Ducting

Brand: Newlec

Category: Channel & Ducting Accessories

Product Description: The 125mm x 6 Meter PVC Flexible White Ducting is designed specifically to work in conjunction with a whole house mechanical extract ventilation (MEV) system. It aids in the ventilation of specific wet areas and helps in the discharging of already gathered wet polluted air.

Key Features:

- Adjustable to be able to fit around any item.
- Near silent running/extracting of air.
- For use with NLWHV.
- Can be used with a variety of ventilation systems, including cooker hoods, extractor fans, and air conditioners.

Specifications:

- Material: PVC
- Diameter: 125mm
- Length: 6 meters
- Colour: White

Applications:

- Whole house mechanical extract ventilation (MEV) systems
- Ventilation of specific wet areas
- Discharging wet polluted air
