

MPN: NLRP1330A

Product Name: 13A 30mA Complete With 13A Fuse RCD Adaptor Plug In Plug

Brand: Newlec

Category: Residual Current Devices

Product Description: The NLRP1330A is a 13A 30mA complete RCD adaptor plug designed to provide residual current protection for electrical appliances. It is manufactured by Newlec, a trusted brand known for its high-quality electrical products. This RCD adaptor plug is an essential safety device that helps protect against electric shocks and is suitable for use in various applications.

Key Features:

- Rated at 230-250V AC
 - Maximum current: 13A
 - Maximum load: 3,120W
 - Trip current rated at 30mA
 - Typical rated speed: 40ms
 - Manufactured to BS 7071
-

Specifications:

- Type of socket outlet: British Standard
- Number of socket outlets: 1
- Method of operation: Rocker
- Mounting direction: Vertical
- Mounting method: Flush mounted

ETIM Class-9.0: Combination switch/wall socket outlet (EC000020)

ETIM Features:

- Type of socket outlet: British Standard (EV006365)
- Number of socket outlets: 1
- Method of operation: Rocker (EV006531)
- Mounting direction: Vertical (EV001302)
- Mounting method: Flush mounted (EV000383)
- Material: Plastic (EV000139)
- Colour: Black (EV000206)
- Nominal voltage (V): 250
- Rated current (A): 13
- Over voltage-/surge protection: Yes
- Fault current protection: Yes

Applications:

- Residential buildings
- Commercial buildings
- Industrial facilities
- Construction sites
- DIY projects
