

MPN: NLFSC30

Product Name: 23mm Wide Fire Cable Fixing Clip For Trunking

Brand: Newlec

Category: Fire Rated Clips

Product Description: The 23mm Wide Fire Cable Fixing Clip For Trunking is specifically designed to meet the requirements of Amendment 3 legislation for securing surface cables in escape routes. This clip is manufactured to the highest standards and ensures the safety and compliance of your electrical installations.

Key Features:

- Holds cables for 2 hours at 930°C (40 to 0°).
- Fully tested as BS5839 part 1 compliant by Exova Warrington Fire.
- 20mm wide side-tabs and pliable gauge for quick and easy folding.
- Smooth and rounded edges protect soft-skin cables.
- Passivated non-corrosive coating on all faces and edges.
- 6mm diameter hole accepts all popular non-combustible fixings.
- Ideal for ceiling voids or popular PVC trunkings with widths ranging from 25mm to 50mm.

Specifications:

- Type of fastening: Clamping
- Connection type construction part: Hole
- Tube/cable diameter (mm): 23 - 23
- Material: Steel

ETIM Class-9.0: Beam clip (EC000464)

ETIM Features:

- Type of fastening: Clamping (EV007463)
- Connection type construction part: Hole (EV008158)
- Tube/cable diameter (mm): 23 - 23
- Material: Steel (EV000179)
- Surface protection: Other (EV000154)

Applications:

Suitable for use in various applications including:

- Commercial buildings
- Residential buildings
- Industrial facilities
- Educational institutions
- Healthcare facilities
- And more.
