

MPN: NL793

Product Name: BS1432 25 x 3mm Bare Copper Conductor Earth Tape

Brand: Newlec

Category: Copper Tape & Accessories

Product Description: The BS1432 25 x 3mm Bare Copper Conductor Earth Tape is a high-quality copper tape designed for effective earthing applications. It is manufactured by Newlec, a trusted brand known for its reliable electrical products. This bare copper conductor tape is specifically designed to provide high conductivity and meet the requirements of BS EN 13601 standards. It comes in 25-meter coils, making it convenient for various installation needs. Please note that a cutting charge may apply to non-coil lengths. The conductor size of this tape is 25 x 3mm, ensuring optimal performance in grounding applications.

Key Features:

- High conductivity copper tape to BS EN 13601 standards.
- Bare Copper.
- 25-meter coils.
- Conductor size: 25 x 3mm.
- Suitable for earthing and lightning applications.

Specifications:

- Conductor Size: 25 x 3mm
- Length: 25 meters
- Surface Protection: Bare

ETIM Class-9.0: Accessories for earthing and lightning (EC000490)

ETIM Features:

- Type of accessory/spare part: Other (EV000154)
- Material: Copper (EV000138)
- Surface protection: Bare (EV000899)

Applications:

- Grounding and earthing systems.
- Lightning protection systems.
- Electrical installations requiring reliable conductivity.
