

MPN: NLCHOC30A

Product Name: Cable Connection Cover Box with Cable Clamp

Brand: Newlec

Category: Connector Strips

Product Description: The Cable Connection Cover Box with Cable Clamp (MPN: NLCHOC30A) is designed for the protection of electrical connections. It is compliant with BS EN60598-1 standards and provides a reliable solution for connecting cables. This cover box is suitable for use with connector strips (not included) and features a one-piece snap-over cover for easy installation. Additionally, it offers the flexibility of optional screw or tie wrap fixing methods. The Cable Connection Cover Box has been tested to BS EN 60598-1 (1332) standards and can withstand temperatures up to 650°C glow-wire.

Key Features:

- For the protection of electrical connections.
 - Compliant with BS EN60598-1 standards.
 - Connector strip not included.
 - One-piece snap-over cover for easy installation.
 - Optional screw or tie wrap facility for installation fixing.
 - Tested to BS EN 60598-1 (1332) 650°C glow-wire.
-

Specifications:

- Degree of protection (IP rating): IP20
- Width of device (mm): 110
- Height of device (mm): 28
- Depth of device (mm): 49

ETIM Class-9.0: Cable connection plate (EC000450)

ETIM Features:

- Mounting method: Surface mounted (EV000384)
- Clamps: None (EV000494)
- Connection system: Screwed terminal (EV001008)
- Material: Plastic (EV000139)
- Colour: White (EV000202)
- Degree of protection (IP rating): IP20 (EV006405)
- Width of device (mm): 110
- Height of device (mm): 28
- Depth of device (mm): 49

Applications:

- Suitable for use in various electrical connection applications.
- Ideal for residential, commercial, and industrial settings.
