

MPN: NLWPC2

Product Name: Black 3 Pole Waterproof Cable Connector For 8-13mm Diameter Cables

Brand: Newlec

Category: Connector Blocks

Product Description: The Black 3 Pole Waterproof Cable Connector is designed for use with cables ranging from 8mm to 13mm in diameter. It provides a secure and reliable connection for electrical applications. This connector is made of high-quality materials to ensure durability and long-lasting performance.

Key Features:

- Polycarbonate plug and socket connector.
- Glass Filled Nylon with Nitrile Rubber Seal outer housing.
- Temperature range - Static Applications: -25°C to +80°C.
- IP68 (2 bar 30min), IEC 61984, UL94 - V2.
- Note: Not submersible.

Specifications:

- Suitable for cable management system width (mm): 8 - 13
- Suitable for wire cable tray/basket wire (mm): 8 - 13
- Material: Plastic
- Colour: Black

ETIM Class-9.0: Connector for cable tray system (EC002413).

ETIM Features:

- Model: Straight joint (EV007490)
- Suitable for wire cable tray/basket: Yes
- Suitable for cable ladder: Yes
- Suitable for cable tray: Yes
- Suitable for cable management system width (mm): 8 - 13
- Suitable for wire cable tray/basket wire (mm): 8 - 13
- Material: Plastic (EV000139)
- Colour: Black (EV000206)

Applications:

- This waterproof cable connector is suitable for various electrical applications where a secure and waterproof connection is required. It can be used in outdoor lighting, industrial machinery, and other similar applications.
