

MPN: NLUSCJ4

Product Name: Straight Through Resin Jointing Kit For 120mm Armoured Cables

Brand: Newlec

Category: Cable Jointing

Product Description: The NLUSCJ4 is a straight cable joint kit designed for 120mm armoured cables. It includes mechanical connectors that provide a strong and guaranteed connection, eliminating the need for crimping. The kit also features an easy-click rigid shell, which ensures a superior seal and prevents resin leaks. The kit is designed to accommodate armoured cables with a diameter of 120mm, making it a good choice for a wide range of projects.

Key Features:

- Resin filled 600/1,000V cable joint kits for 2, 3, and 4 core cables complying with EN50393:2006.
 - Two-part, easy mix, easy flow resin with excellent adhesion to XLPE and PVC cables.
 - Full installation kit and instructions included.
 - Protective gloves included.
 - High-quality earth braiding for reliable grounding.
-

Specifications:

- Nominal cross-section conductor (mm²): 120

ETIM Class-9.0: Cable jointing kit straight (EC001169)**ETIM Features:**

- Model: Cast resin (EV004266)
- Nominal cross-section conductor (mm²): 120

Applications:

The NLUSCJ4 straight through resin jointing kit is suitable for use in various applications involving 120mm armoured cables, such as electrical installations, industrial settings, and construction projects.
