

MPN: NL1132PS

Product Name: 3P+E 32A 110V IP44 Yellow Surface Mount Industrial Power Socket

Brand: Newlec

Category: Industrial Wall Mount Sockets IP44

Product Description: The NL1132PS is an industrial power socket designed to provide a reliable connection to the main power supply at higher voltages and currents than household plugs and sockets. It is specifically designed for industrial applications where durability and safety are paramount.

Key Features:

- Maintenance-free screwless terminals for easy installation and maintenance.
 - IP44 rated for protection against dust and water ingress, making it suitable for use in demanding industrial environments.
 - Mounting Type: Surface Mounting
 - Number of Pins: 3 Pin
 - Colour Code: 4h
-

Specifications:

- IEC-ampereage (A): 32
- Voltage acc. EN 60309-2: 110 V (50+60 Hz) yellow
- Identification colour: Yellow
- Degree of protection (IP rating): IP44

ETIM Class-9.0: CEE socket outlet (EC001321)

ETIM Features:

- IEC-amperage (A): 32
- Voltage acc. EN 60309-2: 110 V (50+60 Hz) yellow (EV009018)
- Identification colour: Yellow (EV000234)
- Degree of protection (IP rating): IP44 (EV006418)
- Connection system: Screwed terminal (EV001008)

Applications:

- Industrial power distribution systems
- Construction sites
- Manufacturing facilities
- Outdoor events and exhibitions
- Temporary power installations
