- Manufactured in accordance with EN60947-5-1, EN60947-5-5 where applicable.
 - IP65 rated (when correctly installed).
 - Modular design for total flexibility.
 - Compatible with enclosed push button stations.
 - Operating temperature -25 to +70°C.
 - Screw fit contacts.
 - Contact blocks rating 250V/5A.
 - Up to 4 contact blocks can be fitted.
-

Specifications:

- Number of switch positions: 3
- Type of control element: Key
- Construction type lens: Round
- Degree of protection (IP), front side: IP65

ETIM Class-9.0: Front element for selector switch (EC000222)

ETIM Features:

- Number of switch positions: 3
- Type of control element: Key (EV000175)
- Construction type lens: Round (EV000167)
- Degree of protection (IP), front side: IP65 (EV006421)
- Colour front ring: Chrome (EV000291)

Applications:

- Suitable for industrial control and automation applications.
- Ideal for use in harsh environments requiring dust and moisture resistance.
