

MPN: NLMHW3KW

Product Name: 3kw White Mini Manual Control Hand Wash Unit

Brand: Newlec

Category: Hand Washes

Product Description: The NLMHW3KW provides instant unlimited hot water to one or more sinks/basins, making it ideal for handwashing purposes.

Key Features:

- Avoid losing excessive water and keep water heating costs to a minimum.
- Energy efficient: Instantaneous unit that only heats water on demand and does not lose heat through extensive pipework, unlike storage water heaters.
- Flexible and Durable: Each NLMHW3KW model is fitted with a Stainless steel 200mm swivel spout.
- Multiple safety features including a preset safety cut out that prevents overheating and protects both the user and their property.
- Pressure relief device: Prevents high pressure build-up should the unit become blocked or frozen.
- Temperature stabilizer to avoid scalding and keep the temperature level and balanced.

Specifications:

- Power: 3kW
- Colour: White
- Control: Manual
- Spout Material: Stainless steel

ETIM Class-9.0: Instantaneous water heater (EC000392)

Applications:

- Ideal for use in commercial and industrial settings.
- Suitable for providing hot water for handwashing in various locations.
