

MPN: NLAHW3KW

Product Name: 3kw White Mini Automatic Sensing Hand Wash Unit

Brand: Newlec

Category: Hand Washes

Product Description: Provides instant unlimited hot water to one or more sinks/basins - ideal for handwashing.

Key Features:

- Avoid losing excessive water and keep water heating costs to a minimum.
- Energy efficient - Instantaneous unit that only heats water on demand and does not lose heat through extensive pipework unlike storage water heaters.
- Flexible and Durable - Each NLMHW3KW model is fitted with a Stainless steel 200mm swivel spout.
- Multiple safety features including a preset safety cut out that prevents overheating and protects both the user and their property.
- Pressure relief device - prevents high pressure build up should unit become blocked or frozen.
- Temperature stabiliser to avoid scalding and keep the temperature level and balanced.

Specifications:

- Power: 3kW
- Colour: White
- Sensing: Automatic
- Material: Stainless steel

ETIM Class-9.0: Instantaneous water heater (EC000392)

Applications:

- Ideal for commercial and residential handwashing applications.
