

MPN: NL11H27

Product Name: 3kw 27 Inch Complete With Thermostat Immersion Heater Element

Brand: Newlec

Category: Immersion Heaters & Replacement Stats

Product Description: The NL11H27 is a high-quality 3kw 27-inch immersion heater element designed to efficiently heat water. It comes complete with a thermostat for precise temperature control, making it suitable for various water heating applications. The robust construction and reliable performance make it an ideal choice for both residential and commercial use.

Key Features:

- BEAB Approved for safety and quality assurance.
 - Adjustable thermostat ranging from 10°C to 60°C for customized temperature settings.
 - Suitable for use in both hard and soft water conditions, ensuring versatility.
 - Multi-grip gland system for easy installation and secure fitting.
-

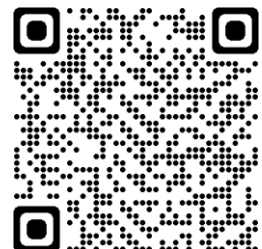

Specifications:

- Power: 3kw
- Length: 27 inches
- Thermostat Range: 10°C to 60°C
- Approval: BEAB Approved

ETIM Class-9.0: Immersion heater (electric) (EC000583)

Applications:

- Suitable for a wide range of water heating applications in residential, commercial, and industrial settings.
