

MPN: NLRCDEWAA

Product Name: Insulated 3 Module IP65 Grey with Hinged Door DIN Rail Enclosure

Brand: Newlec

Category: Din Rail Enclosures

Product Description: The Insulated 3 Module IP65 Grey with Hinged Door DIN Rail Enclosure by Newlec provides a secure and weatherproof housing for electrical components. This enclosure is designed to protect control circuit devices in various industrial and commercial applications. The hinged door allows for easy access to the interior, while the insulated protection ensures safety and reliability.

Key Features:

- Complete with DIN mounting rail
 - Insulated Protection
 - 3-Module Capacity
-

Specifications:

- Material: High-quality, durable plastic
- Colour: Grey
- IP Rating: IP65
- Mounting: DIN rail compatible
- Hinged door for easy access

ETIM Class-9.0: Enclosure for control circuit devices (EC000200)

ETIM Features:

- Colour housing cover: Grey (EV000270)
- Degree of protection (IP rating): IP65 (EV006421)

Applications:

- Industrial control systems
- Automation and process control
- Electrical distribution systems
- HVAC control systems
- Renewable energy applications
